

Bio for:

Michael Wasserman, MD
Executive Director, Care Continuum
Health Services Advisory Group
700 North Brand Blvd., Suite 370
Glendale, CA 91203

Michael Wasserman, MD, CMD, is executive director of care continuum for Health Services Advisory Group (HSAG), the Medicare Quality Improvement Organization (QIO) for California.

With more than 25 years of experience in the healthcare industry, Dr. Wasserman's expertise encompasses nursing patient safety, facility utilization, senior care services, discharge planning, and geriatric medicine. In his capacity as a nursing home medical director for numerous institutions, he has significant experience in infection control. He has also been involved in the implementation and development of many interdisciplinary teams and co-founded innovative geriatric programs and practices in Florida and Colorado.

Dr. Wasserman is a certified medical director (CMD) through the Society for Post-Acute and Long-Term Care Medicine (AMDA), is board certified in geriatric and internal medicine, and is an assistant clinical professor at the UCLA School of Medicine and University of Colorado School of Medicine. He earned his MD from the University of Texas at Galveston and completed his residency in internal medicine at Cedars-Sinai Medical Center, Los Angeles.
